

## Restorative Justice Outcomes

In the past fiscal year:

### **# of clients served**

393

### **Community service hours performed**

480

### **Restitution made**

\$986

(updated 8/2015)

Below are some of our objectives we track for each client, in a variety of our programs in order to measure outcomes.

### **Balanced & Restorative Justice Panel**

- Takes responsibility for offense and identifies harm.
- Takes steps to repair the harm done to the victim(s).
- Takes steps to repair harm done to community and creates a positive connection to community.
- Takes steps to repair harm to oneself and develop skills to avoid repeating behavior.

### **Balanced & Restorative Justice**

- Understands Probation contact.
- Improves public behavior and their relationship with community.
- Makes academic progress.

### **Teen Alcohol Safety Program**
