Want to know why I'm raising money for Youth Services?

Well, they've been serving my community for 50 years and help young people and families in our communities in so many ways. Support our team as we take on the CORNSTOCK: Cornhole for a Cause! challenge for Windham County on May 21, 2022. We are so inspired by the resilience and strength of Windham County's youth that we wanted to take on this challenge for them and ensure that there will always be a safety net for them when their discovering their own path to adulthood. While you can't compete in a cornhole match with us, you can help us achieve our fundraising goal.
